Welcome to Herbert Woods

What better way to discover the beauty and magic of the Norfolk Broads than on board a Herbert Woods cruiser.

You're at the helm so there is no need to rush, this is a holiday at your pace where you can take time to enjoy the beautiful surroundings, spend time with family and friends, relax and recharge.

Don't worry if you have never driven a boat before, most of our customers have little or no experience when they first arrive. Our cruisers are very easy to handle and our engineers will give you a thorough tutorial and a test drive before you depart for your holiday. All of our cruisers are fully equipped with everything you may need for a comfortable stay (although we do ask you to bring your own towels). Our friendly team are always on hand to help your holiday run smoothly.

We can't wait to meet you and look forward to welcoming you to Herbert Woods.

Gift Vouchers

If you're struggling to find that perfect gift for a loved one, why not consider a Herbert Woods gift voucher. Herbert Woods gift vouchers are available in denominations of £20, £50 or £100. They can be redeemed against Herbert Woods Cruiser or Cottage Holidays, Herbert Woods activities (e.g. canoe or day boat hire), optional extras (including rowing dinghies, sailing dinghies, undercover car parking, pets and private moorings) and any repair, refurbishment or maintenance work on private craft (e.g. canopies, anti-foul or upholstery).

Gift vouchers can be purchased by calling our booking office on 0800 144 4472. Vouchers cannot be purchased online.

Quality Accredited Boatyard

We are proud to be recognised as a Quality Accredited Boatyard. This is an accreditation, endorsed by VisitEngland and British Marine, that offers reassurances of safe and legal practices together with good customer services.

Broads National Park

The Norfolk and Suffolk Broads is Britain's largest protected wetland and third largest inland waterway, with the status of a National Park.

Covering over 300 square kilometres of land and water, and home to 11,000 species of wildlife – many of which are unique to the Broads – this is a globally important area for biodiversity.

Please turn to page 12 to learn more.

Investors in Wildlife

We believe in preserving Norfolk's wildlife, countryside and environment, which is why we have become Investors in Wildlife with Norfolk Wildlife Trust. **Read more about this on page 13.**

Love the Broads

Help us look after the places you love to visit.

Through our support for the Love the Broads project, we are helping to raise funds for projects to ensure that the Broads are kept special for future generations. We do this by donating £1 from each holiday booking. So far, donations have supported projects which will help to increase the barn owl population, to improve a circular footpath around a nature reserve and provide new cycle route signage in quiet Broads' lanes. Things to do Come Rain...

1

Discover a World in Miniature

Stretching over 10,000 square feet, Wroxham Miniature Worlds is the largest indoor modelling attraction in the UK. Explore scenes from around the world, which include model railways, Scalextric courses, and a Lego city. With displays of toys from across the decades, there is something for the whole family to enjoy. Wroxham Miniature Worlds is just a three minute walk from the centre of Wroxham.

2

Ride a Steam Train

Ride a Steam Train along Norfolk's longest narrow gauge railway. The Bure Valley Railway operates between Aylsham and Wroxham, calling at the villages of Brampton, Buxton and Coltishall. The 18 mile round trip follows the river through the picturesque Bure Valley countryside. A range of regular and one-off events are held throughout the year including the 'Teddy Express' or 'Santa Special' trains. The BVR station is a short walk from the moorings in Wroxham, opposite the main Norwich to Sheringham station.

3

Explore the City

Our fine city has something for everyone. Visit the Norman castle and discover its evolution from Royal palace to county prison. Stroll around the cloisters at Norwich's stunning 12th century cathedral. Indulge in some retail therapy at Intu Chapelfield or the Royal Arcade. Hop on the City Sightseeing Bus or catch up with the latest blockbusters at Riverside Entertainment Complex. Norwich is easily accessed by rail from Wroxham or cruise into the city and moor at Norwich Yacht Station.

4

Head to Great Yarmouth

Although a trip to the beach might not be on the cards, Norfolk's premier beach resort still has plenty to offer. Discover Great Yarmouth's fascinating history at the Time & Tide Museum, find Nemo & Dory at the SEA LIFE Centre or enjoy one of the amazing performances at the Hippodrome Circus. If you want to burn off some energy, grab your swimming costume and tackle the inflatable obstacle course at Marina Leisure Centre or practice your swing indoors at Hollywood Adventure Golf. Attractions are just a 20 minute walk from Yarmouth Yacht Station.

or Shine...

5

Ranworth Church

Enjoy panoramic views of the Broads from the top of Ranworth Church. It might be a long way up (89 steps, two ladders and a trap door to be precise) but we promise it's worth it, for wonderful views of the River Bure and five surrounding Broads. Just a five minute walk from Ranworth Staithe.

6

Be at one with Nature

Be at one with nature and see how many different species you can spot at one of the Norfolk Wildlife Trust Reserves. Spend a day wandering the trails or take in the Broads and their abundant wildlife on one of the electric boat trips. Mooring can be found a short walk from most of the reserves, the Norfolk Wildlife Trust website has specific details.

7

How Hill

Learn about the history and special environment of the Broads with a trip to How Hill. There is something for visitors of all ages from the Secret Garden and Tea Room to the Broads Authority Centre at Toad Hall where you can see how 18th century marshmen lived. Mooring can be found at the public staithe.

8

Take in the Beautiful Scenery

Salhouse Broad is a place of natural beauty; explore the ancient woodland, enjoy a picnic on the grassy hill and let the children run wild in the rustic area. Canoes can be hired by the hour and the sheltered Broad makes it the perfect place for beginners. Keep your eyes peeled for wildlife including the reed warbler, swallowtail butterfly and Norfolk hawker dragonfly. Salhouse Broad is an ideal place to walk the dog, feed the ducks, or just relax and take in the beautiful scenery. If you fancy a pint, the Fur and Feather – home of Woodfordes real ale – is just a short walk away. Mooring available – fees apply.

Prepare for a
Taste Sensation

Delight your taste buds and experience some of Norfolk's finest food.

There really is a wonderful culinary experience to be had whilst on holiday in Norfolk. Our warm dry climate, rich fertile soils and a coastline teeming with a wide variety of seafood, makes Norfolk one of the country's best destinations for food lovers.

Whatever you fancy, we are sure you will find something to tickle your taste buds. Why not try a slice of Binham Blue or Norfolk Dapple cheese on freshly baked bread. A seafood selection of Cromer Crab, Brancaster Oysters and Morston Mussels or Grass Fed Steak with a dollop of Colman's Mustard. For the perfect snack, try a packet of locally produced Kettle Chips washed down with a pint of Woodforde's Wherry. The list is endless... and delicious.

All of our cruisers come with well-equipped kitchens* so you can cook for yourselves or go out and enjoy wonderful, local, home-cooked food at one of the many riverside pubs and restaurants.

*Please note. All of our pans are stainless steel, if you prefer non-stick please bring your own.

There is nothing better than fruit and veg straight from the field. Pick your own or stop off at one of the many local grocers or roadside stalls.

Galley Recipe:

Chicken and Apricot Tagine

Serves 4

1 tbs oil
1 onion, finely chopped
1 clove of garlic, crushed
1 in ginger, grated
1 tsp ground cumin
1 ½ tsp ground cinnamon
500g skinless and boneless chicken thighs*

400g tin chopped tomatoes
250ml chicken stock
100g dried apricots
1 tsp honey

To Serve

2 x 100g packets of cous cous (we like the Moroccan flavour)
Fresh coriander

1. In a pan, heat the oil and gently fry the onions until soft. Add the garlic, ginger, cumin and cinnamon and cook for 1 minute or until fragrant.
2. Add the chicken thighs to the pan and brown (you may need to do this in batches).
3. Add the tomatoes, stock, apricots and honey. Bring to the boil and cover. Simmer for 30 minutes, stirring occasionally, until the chicken is cooked.
4. Meanwhile cook the cous cous according to the pack instructions.
5. Season the tagine and serve on a bed of cous cous with a sprinkle of coriander.

***For a vegetarian version, simply swap the chicken for chunky vegetables and chickpeas.**

Top Tip

Swap the fresh garlic and ginger for paste and pre-measure any dry spices into a small pot or freezer bag to save on packing space.

Pay a visit to one of our many local butchers for a magnificent selection of prepared meats. Choose from Cajun chicken kebabs, marinated lamb chops or meatballs in tomato and garlic sauce and team with salad, potatoes or pasta for a scrumptious meal that everyone will enjoy.

Welcome to the Broads National Park

The Broads National Park is Britain's largest protected wetland. Its scenic waterways, rare wildlife and rich history make it the ideal place to get away from day-to-day life.

Scenic Countryside

The low-lying landscape of the Broads is unique to this area and provides a source of inspiration to many artists and photographers.

Enjoy vast skies and wide open spaces dotted with wind pumps, pretty market towns and villages and meandering rivers surrounded by farms and marshland.

Wildlife

The Broads is renowned for its biodiversity. The area is home to more than a quarter of the rarest wildlife in the UK. Around 230 nationally important invertebrates (mini-beasts) can be found in the Broads including Britain's largest butterfly, the swallowtail, and the rare Norfolk hawker dragonfly.

The rivers and Broads are home to many kinds of fish including perch and pike, and birds are in abundance. Popular sightings include great crested grebe, teal, wigeon and marsh harrier and if you are lucky you might spot kingfisher and bittern.

The Fens alone have more than 250 different plants including the nationally protected Fen orchid and the rare crested buckler fern, as well as being home to otters, harvest mice and water shrews.

Cultural Heritage

The Broads has a rich cultural heritage. Originally created in the 12th century by peat digging, historical records show that the pits gradually began to fill with water, making the peat more difficult to extract. Eventually, in the 14th century, peat digging was abandoned and the pits left to flood, which resulted in the wetland we see today.

The area is home to more than 150 medieval churches, a Roman fort, a Benedictine monastery and traditional drainage mills. The Broads is also the only member of the national park family to embrace a city, as the River Wensum runs right into the historical city of Norwich.

We Love the Broads

Help us look after the places you love to visit

Love the Broads was set up by the Broads Charitable Trust and the Broads Authority with the aim of raising money for projects which preserve, protect and enhance the Broads and which will have a positive impact on local communities and visitors.

As a Love the Broads partner, Herbert Woods raises funds for projects that are close to our hearts and those of our visitors. By donating £1 from every holiday booking to Love the Broads, we can ensure that the Broads are kept special for future generations.

In 2017, our donations helped fund the extension of the Boundary Farm moorings, opposite Thurne Mouth, creating an additional 40m of Free Broads Authority moorings for boat owners and hirers on one of the Broads busiest stretches.

2018 projects include: The restoration and reopening of the permissive footpath in Reedham, a popular footpath linking the river ferry to the village and forming part of the Wherryman's Way. This project is expected to greatly benefit both the local community and visitors alike.

Provision of an audio-visual display on board Norfolk Wherry 'Maud', this will help promote 'Maud' to the public and increase awareness of the importance of the wherries in the economic and social history of the Broads.

Broads by Bike

Discover the Broads by Bike

Cycling is a great way to experience the beauty of the Broads National Park and with its gentle terrain and quiet country lanes, the Broads are suitable for cyclists of all ages and abilities.

Enjoy the Three Rivers Way, a new cycle and walking route connecting the villages of Hoveton & Horning or explore one of the 14 circular Broads by Bike routes around the Northern and Southern Broads. Go to thebroadsbybike.org.uk to download your route.

Bring your Bike on Board

If you would like to bring your bikes on holiday look out for the logo to find out which cruisers are bike friendly. If you are planning on bringing bikes with you, please remember to pack at least two bike locks to secure your bike to the boat.

Cycle Hire

If you'd prefer not to bring bikes from home, there are a number of bike hire options available across the Broads. Hire from one of the many cycle hire centres or take advantage of the new BroadsByCycle scheme, offering self-service bike hire along the Three Rivers Way.

Bikes can be booked online at broadsbycycle.co.uk and you can pick up and return bikes at any of the following docking stations:

Discover Hickling Broad

Experience the beauty of the Broads National Park from a different perspective, with guided Stand Up Paddleboard or Kayak adventures to Hickling Broad, Heigham Sound and Horsey Mere.

Due to rising water levels, the area upstream of Potter Heigham Bridge is becoming harder and harder to access by motor cruiser. Whilst this is disappointing for boaters it is fantastic for the areas wildlife, with common cranes, bittern and marsh harriers now regular sightings.

To ensure visitors don't miss out on this magical part of the Broads, we have teamed up with Norfolk Outdoor Adventures to provide guided Stand Up Paddleboard and Kayak adventures to Hickling Broad, Heigham Sound and Horsey Mere. Paddle quietly through these undisturbed back waters and feel a sense of getting away from it all, as you enjoy the sights and sounds of the surrounding wildlife.

All trips are accompanied by a qualified river guide and depart from Herbert Woods making them the perfect way to start or end your Norfolk Broads holiday.

For more information and to book please ask at reception or call 0800 144 4472.

Please note. These trips are physically active but are not too demanding. No experience necessary.

SUP Experience

Stand Up Paddleboarding is a perfect way to experience the beauty of the Norfolk Broads.

Not only can you glide silently through beautiful landscape and stunning nature reserves but being on a paddleboard means that you can witness the magical array of underwater life beneath you, whilst also being able to see over the reed tops, across the vast landscape of the Broads National Park.

Discover Britain's Magical Waterland

We also have a range of boating options available to help you discover the beauty of the Norfolk Broads in just a few hours, from sailing your own dinghy to hiring a day boat, there is something for everyone.

Picnic Boats

Length: 24ft (7.31m) Beam: 10ft (3.05m)

Take a day and cruise the Broads at your leisure.

Our brand new picnic boats are perfect for a day out on the Broads. Designed and built at Herbert Woods, each picnic boat seats a maximum of 10 and is equipped with everything you might need for your picnic, including gas hob, fridge, sink and WC. The split sliding canopy and forward sundeck are perfect for taking advantage of sunny days, whilst the warm air heating will keep you cosy during the cooler months.

Picnic boats are available for full day hire and can be pre-booked on 0800 144 4472.

Canoes

Explore the tributaries and back waters of the Broads that cannot be accessed by cruiser or day boat.

Paddling silently through the undisturbed waters of the National Park is a great way to view the beautiful wildlife of the Broads. Our Canadian canoes seat up to three people and can be hired for a half or full day.

Sailing & Rowing

Hiring a sailing or rowing dinghy is another great way to discover the Broads National Park.

Let older children have their own Swallows and Amazons adventure, get up close to the wildlife or use as a tender or fishing boat. Sailing and rowing dinghies are both available to hire from Herbert Woods and can be towed behind your cruiser.

Sailing & Rowing dinghies must be booked in advance.

Day Boats

For a less strenuous alternative, we also have a fleet of day boats available to hire throughout the season.

These can seat up to eight people and are perfect for touring the Broads, a spot of fishing or a secluded picnic. Day boats are available on a first come first served basis.

Safety on Board

We want to make sure your holiday is as relaxing and carefree as possible and whilst a holiday afloat is great fun, it is important to remember that there are certain safety implications to being on the water.

At Herbert Woods, we take the safety of you and your party incredibly seriously which is why we put in place the following precautions, to put your mind at ease and ensure that you are in safe hands.

Skippers Manual

Each boat contains a Skippers Manual which provides vital information on how to stay safe whilst on board. It is important that each member of your crew reads this prior to departure. You can view and download the Skippers Manual before you arrive at herbertwoods.co.uk/skippers-manual.

Life Jackets

Life jackets are provided for all crew and you are encouraged to wear them at all times whilst on deck. Children under the age of 8 will be provided with buoyancy aids which should be worn at all times.

Smoke and CO Alarms

To ensure your safety whilst on board, all of our cruisers and picnic boats are fitted with smoke and carbon monoxide (CO) detectors as standard. You will find at least one Carbon Monoxide Alarm that will fully comply with the BS EN 50291:2001 standard and a Smoke Alarm that will fully comply with the BS EN 14604:2005 safety standard. Our larger cruisers are fitted with multiple alarms to ensure the whole boat is covered.

Boat Handover

On arrival, you will be given a Boat Handover which includes but is not limited to:

- A life jacket demonstration
- Location and how to use of life rings
- Location of fire extinguishers & fire blanket and how to use them
- Emergency procedure
- How to use the gas cooker and need for ventilation
- Opportunity to drive the boat under supervision
- Instruction on how to navigate

If you have any questions or are unsure of any of the above during your holiday please contact the boatyard.

Herbert Woods, a proud QAB

The Quality Accredited Boatyard (QAB) scheme is an accreditation, endorsed by VisitEngland and British Marine, that assesses the safety, legal practices and customer service of approved hire boat operators.

Welcome Aboard

From the moment you arrive you can be sure of a warm welcome. You will be greeted by our helpful and friendly staff who will check you in and direct you to your boat. Don't worry if this is your first time handling a boat, our experienced staff will give you a full tutorial to show you how to use the controls and safety equipment on board and how to manoeuvre and moor the boat safely. There is also the opportunity for you to go for a practice run on the river before departing for your holiday. On board you will find a Skipper's Manual which contains all the information you might need whilst out on the water to ensure your holiday is as safe and relaxing as possible.

Finding your Perfect Cruiser

Choosing your holiday cruiser may seem a little daunting so we have put together a few things for you to consider before making your decision.

Boat Size

Our boats can sleep between 2 to 12 people. One of the main decisions when choosing your cruiser is whether you wish to use the saloon for sleeping by converting the seating area into a bed each night.

Steering Position

Dual Steering

Stylish and modern looking, these boats have an inside forward steering position and an outside steering position on the upper deck. However, there are steps between the two positions and the height of the cruiser may mean that you have difficulty fitting under some of the bridges on the Broads.

Front Steering

Boats with a forward steering position tend to be on one level giving ease of access. Some have a split sliding roof to open over the seating area on sunny days.

Central Steering

Boats with a central steering position tend to have a sliding roof over the saloon steering area for opening on warm days. The steering area is often raised giving good visibility.

Aft Cockpit

These boats usually have a rear entrance to the cabin. Some have a folding canopy over the rear steering area which can be lowered for open air dining and steering.

Ease of Mobility

The low, single-level boats are more suitable for those with restricted mobility.

Elite Cruisers

The Herbert Woods Elite range comprises the most modern and well-equipped cruisers within the Herbert Woods fleet.

Ranging in size from 2 to 8+ berths you are sure to be able to find one that is perfect for your Norfolk Broads adventure. Each boat has a light and spacious interior and has been finished to the highest standard using quality fixtures and materials.

Some of our Elite Cruisers also include additional features such as bow thrusters, stern thrusters, Freesat TV, power showers and granite effect worktops. Please see individual boat listing for details.

Terms & Conditions 2018 - Cruiser

Minimum Passengers

For safety reasons each cruiser must have a minimum of two adult passengers on board.

Fuel Deposit

A £125 fuel deposit is required in advance on all weekly hire cruisers up to 6 berths and £150 on cruisers of 7+ berths and above. At the end of your holiday, the balance of any fuel remaining will be repaid to you.

Damage Waiver/Security Deposit for Hire Cruisers

Although boats are insured by Herbert Woods, you (the Lead Hirer) are primarily responsible for any damage or loss to the boat and its equipment or for any damage to third party property. You will be held responsible for all damage caused by your own actions and those of other members of your party.

The payment of a mandatory, non refundable waiver (£45 up to 6 berth and £55 for 7 berth and above) will safeguard the Lead Hirer from any liability in the event of accidental damage to the boat, its fittings or loss of its equipment. It does not cover damage or losses caused by wilful damage or negligence on the part of the Lead Hirer and their party. The return of the boat late or in an unclean condition will incur an extra payment.

In addition to the Damage Waiver, a Security Deposit of £50.00 per berth (e.g. 4+2 berth = £300), payable by credit/debit card is required from the Lead Hirer for all single sex and non-family groups, this must be paid 56 days before arrival. HW also reserves the right to charge an additional Security Deposit for any non-family group, stag or hen bookings on arrival, this must be paid by credit/debit card before you commence your holiday. If you return the boat on time, in a clean condition and without damage, loss of equipment or third party claim against you, the deposit will be repaid within 7 days. Where loss or damage has occurred, all or part of your security deposit may be withheld by Herbert Woods to cover the cost of loss of use of the boat, repairs, extra cleaning etc. Notwithstanding the above if you or any member of your party either fail to comply with booking conditions or cause negligent, wilful or criminal damage you will be fully liable for any loss incurred.

Boat Arrival Times

Weekly holidays:

Arrival time 4.00pm and vacated by 9.00am.

Short break:

Arrival time 2.30pm and vacated by 9.00am.

Elite Cruisers:

Arrival time 2.30pm and vacated by 9.00am.

Please advise the yard if you intend to arrive later than the stated arrival time.

Optional Extras

Payable on Arrival	Per Week	Short Break
Rowing Dinghy (available Easter to 31st Oct)	£45	£35
Sailing Dinghy (available Easter to 31st Oct)	£55	£40
Pets (each)	£35	£35

Parking

Outside parking for one vehicle, for cruisers up to 6 berth, 2 vehicles over 6 berth, is included in the cost of your holiday. Parking for any additional vehicles will be charged as follows:

	Per Week	Short Break
Additional Car Parking - Outside	£15	£10
Additional Car Parking - Undercover (advance booking advised)	£20	£15

Payment of Balance

Please note that the balance of hire terms and any extra charges and deposits should be paid 56 days in advance of your holiday start date unless otherwise stated on the booking confirmation.

Receipts are issued to all customers. Cancellation Protection is included in the brochure price. Cover is obligatory and is automatically provided against loss of your deposit and liability to pay the balance of hire charges if you have to cancel or curtail your holiday for certain unavoidable reasons. This is included in the holiday price and is paid within your initial deposit. (Please refer to paragraph 8 on the terms and conditions)

Please Note: Due to changes in financial regulations we are no longer able to offer personal insurance cover (we recommend you arrange private cover).

Qualifying Reasons for Cancellation

Death, illness, bodily injury, pregnancy or childbirth providing pregnancy commences after the insurance is affected. Jury service, witness call. Redundancy of the Lead Hirer or their partner. Cancellation of arranged leave in respect of a member of HM Forces or police or unexpected occupational posting within six weeks of the commencement date of the holiday or fire, storm, flood, subsidence or malicious damage rendering the home uninhabitable.

Police requiring presence following a burglary or other incident at home or place of business.

Death, serious injury or serious illness of any member of your immediate family, fiancé(e), close business associate, partner or co-director.

Winter Holidays

Boats are unavailable during December and January. For more information please telephone 01692 670711.

Complaints

In the event that you find a problem with your boat or the service we provide we ask that you bring this to our attention as soon as possible during your holiday to give us the opportunity to rectify the problem (see clause 15).

Our 2018 Holiday Boats brochure is prepared many months in advance of the holiday season to which it relates, so changes may be made to the information contained in it. If any significant changes occur before you have booked, we will endeavour to tell you at the time of booking or pass on the necessary information to you. The prices contained in the brochure are correct at the time of going to print.

1. Your Contract

Your contract is with Herbert Woods LLP (referred to throughout these terms & conditions as "HW"). Any contract to hire a boat listed in this brochure and current supplements incorporates conditions below and is between HW and you as the Lead Hirer. The contract does not take effect until HW dispatch written confirmation of your booking to you. The contract is made in England and is governed in all aspects by English Law.

2. Booking

All Correspondence will be sent to the address on the booking form. HW may refuse to accept a booking at its discretion and will not accept any booking from a person less than 18 years old.

3. Payments

On booking you will be required to pay a booking deposit in part payment for the cost of your boat. It will be refunded if your booking is not confirmed by HW. The balance of the holiday price must be received by HW no later than 56 days before the holiday start date. If booking within 56 days, full payment must be made when booking. If booking within 14 days of the start date, full payment must be made by debit or credit card. It is not normal practice to send reminders and if final payment is not received as required, HW may cancel the booking and apply charges (see paragraph 8). Travel documents will not be released until full payment has been received by HW. Post dated cheques are unacceptable and HW may recover the cost of any bank charges or other costs incurred in handling dishonoured cheques, direct bank payments and foreign currencies.

4. Price Guarantee

HW guarantees that there will be no surcharges within 56 days of your departure but reserves the right to alter the price of any of its holidays before you make your booking.

5. Hire Terms

All hire terms are inclusive of VAT and quoted in £ sterling per boat per week/short break equipped as described unless otherwise stated. As soon as the booking is confirmed by HW, the hire terms are guaranteed unless there is a change in the rate of VAT.

6. Insurance

Protection against cancellation or curtailment of your holiday is mandatory – this is included in the holiday price and qualifying reasons for cancellation can be found on the front page of the pricing booklet. We also strongly recommend that you have adequate personal insurance cover for your holiday needs.

7. Alterations by You

If you wish to change your booking after HW has issued your confirmation, HW will do its best to help but has no obligation to make any change other than to allow you or any member of your party to transfer the booking to another party or parties, provided that written notice is received from the Lead Hirer. Transfer from one boat to another within this brochure will normally be possible. If HW is able to make changes, an administration fee of £35 will be charged. Please note that major changes may be treated by HW as a cancellation by you and will be subject to charges referred to in paragraph 8. Any change you wish to make to your holiday once it has been confirmed is your sole responsibility.

8. Cancellation by You

If you are forced to cancel your booking you must notify HW immediately by telephone and send written confirmation (signed by the Lead Hirer) by Recorded Delivery to Potter Heigham and enclosing your booking confirmation. The cancellation will be effective from the date HW receives written confirmation. If the reason for cancellation is within the terms of the HW cancellation protection, you will receive a refund of monies paid less a cancellation administration charge of £35. If the reason for cancellation falls outside its terms, HW will make a charge as below.

- Cancellation 56 days or more prior to start date: HW will retain the initial payment only. If you have not paid the full initial payment shown in the brochure at the time of booking, you must pay the shortfall.
- Cancellation less than 56 days before start date (or if HW cancels because you fail to pay the balance of the holiday price as required by paragraph 3) - you will be liable to pay the whole balance less any hire charges HW may be able to recover by re-letting the boat. It is not possible to make refunds for any other services booked but not used.

9. Alterations by HW

HW reserves the right to make changes when they become unavoidable or necessary. Most changes are minor but occasionally we may have to make a major change. If we have to make a major change or cancel, we will tell you as soon as possible and if there is time before your departure, we will offer you accommodation of at least equivalent standard, in which case no compensation will be paid. If this is not possible you may choose to:

- Purchase an alternative HW holiday (where available) with credit being given for the price of the cancelled holiday; or
- Cancel and receive a refund of money you have paid.

10. Cancellation by HW

HW will not cancel your holiday within 56 days of your departure unless it has to for reasons in paragraph 11 or unless payment is not received as per paragraph 3. HW may cancel your holiday at its absolute discretion on or before the date when payment of the full holiday price becomes due. If HW cancels, they will inform you as soon as reasonably possible and you will be offered either:

- A holiday of comparable standard (if available) together with a full refund of any price difference; or
 - A full refund of any monies you have paid.
- HW may at its absolute discretion refuse to hand over a boat or terminate a holiday where, in the opinion of HW a person or group is likely to cause damage, distress or annoyance to the boat, other persons or property. In such an event, HW will be under no obligation to refund, compensate, or indemnify you.

11. Important Note

No compensation will be paid by HW where cancellation or material change arises from:

- Unusual or unforeseeable circumstances beyond HW's control such as war, threat of war, riot, civil strife, industrial dispute, terrorist activity, natural or nuclear disaster, fire or adverse weather conditions including flooding of waterways.
- Your failure to pay the balance of the holiday price within the time stipulated.
- As a result of behaviour as set out in paragraph 10 above.

12. Start and Finish of Your Holiday

- Unless otherwise stated, the time of arrival is 4.00pm on one week hire and 2.30pm on a short break hire.
- In the event of problems preparing the boat, the right is reserved to delay departure without compensation until a repair is affected.
- HW will give you a demonstration and explain the controls of the boat and its equipment. You must notify HW as soon as possible, of any fault with the boat or its equipment so that it can be rectified.
- Non-arrival at the boatyard by mid-day on the day following start date without prior notification shall entitle HW to treat the booking as cancelled as per paragraph 8.
- Unless otherwise stated you must return the boat (with all gear and equipment) to HW's boatyard in a clean and tidy condition by 9am on the final day of hire. The boat will be inspected and a charge will be made if the boat is returned late or is not clean and tidy.
- You will be supplied with, on loan, a fully automatic life jacket for all adults and buoyancy aids for any children and shown how to use them. HW recommends that every member of the crew wears a life jacket when moving around on the outside of the boat.

13. Accidents

You (the Lead Hirer) are responsible for the boat's safe navigation and for the actions of each member of your party and you must take all reasonable care. No minor (aged under 14) may control the boat without the direct supervision of an adult. In the event of damage to or breakdown of the boat rendering it inoperable, however caused, no responsibility can be accepted by HW for loss of time or cost of alternative accommodation or any other damages or expenses incurred as a result. In the case of any accident or damage to the boat or any other craft or to waterway property you must, for insurance reasons:

- Record the name of any other boat involved with names, addresses and phone numbers of its owner and hirer and witnesses (where applicable); and
 - Immediately report these facts to HW boatyard with full details and extent of the damage; and
 - Report the full details in writing to HW on return from holiday quoting your booking reference number. No repairs may be put in hand without HW's consent.
- (d) On returning the boat at the end of your holiday you must inform HW of any damage or items broken, lost or stolen. Failure to adhere to any of the above may result in an additional charge at the end of your holiday.

14. Damage Waivers, Security and Fuel Deposits

Although boats are insured by HW, you (the Lead Hirer) are primarily responsible for any damage or loss to the boat and its equipment or for any damage to third party property. You (the Lead Hirer) will be held responsible for the actions of the other members of your party. HW will require:

- A damage waiver payment. This will indemnify you for any accidental loss or damage to the boat, its equipment or to any third party property (unless you are a member of crew from which a Security Deposit is required as described in paragraph below). The damage waiver is payable on booking and is non-refundable.
- A Security Deposit of £50.00 per berth (e.g. 4+2 berth = £300), payable by credit/debit card is required from the Lead Hirer for all single sex and non-family groups, this must be paid 56 days before arrival. HW also reserves the right to charge an additional Security Deposit for any non-family group, stag or hen bookings on arrival, this must be paid by credit/debit card before you commence your holiday. If you return the boat on time, in a clean condition and without damage, loss of equipment or third party claim against you, the deposit will be repaid to you within 7 days. However, where damage has occurred or been reported, all or part of your security deposit may be withheld by HW, to cover the cost of repairs, extra cleaning and loss of use of the boat, where applicable. Notwithstanding the above if you or any member of your party either fail to comply with booking conditions or cause negligent, wilful or criminal damage you will be fully liable for any loss incurred.
- A fuel deposit to cover the cost of fuel used. The value of any unused fuel will be refunded upon your return at the end of your holiday. Fuel costs exceeding the fuel deposit will be charged to you. For further information see page 86.

15. Delays

Every boat is checked before the commencement of hire and in the event of problems preparing the boat for your holiday the right is reserved to delay departure without compensation until work is completed. If a breakdown, malfunction or problem of any kind occurs you must report it to HW immediately so that repairs can be made to enable you to resume your cruise. You must not wait to report it until you return at the end of your holiday. If HW is informed they will take steps to rectify the problem as quickly as is practical in the circumstances. Apart from these obligations, HW shall not be liable in any respect for any indirect or consequential loss or damage, whether financial or otherwise, suffered as a result of such a problem. No compensation will be paid for loss of time as a result of a breakdown, malfunction or problem of any kind. HW shall not be responsible for the consequences of delays or restrictions on cruising arising from obstruction, repairs or damage to waterways, high tides, flooding, shortage of water, industrial action or other circumstances beyond their control. The right is reserved to restrict cruising if unusual or hazardous conditions prevail.

16. Broads Authority or Owners of Private Property

You are responsible for any charges made by the above in respect of loss of or damage to their property or anti-social behaviour caused by you while in charge of the boat.

17. Navigation Restrictions and Bye-Laws

On no account may you:

- Tow or be towed by other cruisers unless with professional assistance.
 - Cruise after dark (your boat is not equipped or insured for night navigation).
 - Permit your boat to be taken out to sea.
 - Permit your boat to take part in any race.
- You must navigate in accordance with current bye-laws and must observe the speed limits applicable to the waterway. You must not under any circumstances attempt to pass under Wroxham or Potter Heigham bridges without using the services of the Bridge Pilot (the cost of this service is included in your hire charge). It is entirely at the discretion of the Bridge Pilot if he is willing to pilot the boat under a bridge – water levels vary depending on tidal and weather conditions and there are periods of time when it is not possible for boats which will normally pass under bridges to do so. Herbert Woods does not take responsibility for these navigational restrictions. Any damage caused to the boat and/or the bridge if you were to fail to comply with this rule will be regarded as wilful, not accidental damage and therefore the direct responsibility of the Lead Hirer, not covered by the damage waiver.

You must not attempt to sail down the River Bure approaching Gt. Yarmouth, except at slack water (normally 1 hour after low water at Gt. Yarmouth) see tide tables in Skipper's Manual. No hire boats may be taken below Haven Bridge, Great Yarmouth or through the lock at Oulton Broad. More detailed information is provided in the Skipper's Manual on your boat. Please read your Skipper's Manual carefully before attempting to cross Breydon Water, which can be done safely with care. Failure to observe the instructions in the Skipper's Manual with regard to navigating across Breydon Water which results in the boat going aground or suffering damage will be regarded as negligent and/ or wilful damage and will not be covered by the damage waiver. If it is necessary for a rescue or tow boat to be summoned to tow you on Breydon Water you will at HW's discretion be charged up to £300 for arranging for a boat to attend the incident.

18. Hirers' Equipment

You may not take and use onboard the boat any gas appliances; portable heaters of any type; lighting equipment; hair straighteners; barbecues or any items which may cause danger to the boat, its equipment or its occupants.

19. Injury or Damage to You or Your Property

HW is not liable for death, personal injury, or loss or damage to you or your property, or any property belonging to or in the possession of the Lead Hirer or any member of their party (including any motor cars or their contents parked at the boat yard) unless it is caused by HW's negligence or wilful default.

20. Party Members with Limited Mobility

If you have any members of your party with limited mobility, you must enquire as to the suitability of the boat at the time of booking. Whilst no guarantee can be given, HW will offer assistance and advice as far as is practical.

21. Extra Persons

To comply with the terms of hire boat licensing regulations the number of persons indicated for each boat must not be exceeded at any time.

22. Optional Extras

Optional extras such as dinghies, etc. may be available at extra charge as stated in the brochure, but are subject to availability on your hire start date.

23. Pets

One pet is normally allowed aboard a boat, at an extra charge, unless otherwise stated in the boat details.

24. Data Protection

In order to process your booking and ensure that your holiday runs smoothly we will need to collect and process personally identifiable information for you and all your passengers. In some instances, to ensure your safety, we may also be required to collect information regarding any physical or mental disabilities. We take every care to ensure that the necessary security measures are in place to protect your information. Herbert Woods will not share your information with any third parties other than where required to do so by our insurers, government agencies or by law. By making a booking you are consenting to the above. Your Data controller is Herbert Woods LLP. If you would like to request a copy of the information held on you or would like to invoke your right to be forgotten, please email us on privacy@herbertwoods.co.uk.

25. Modifications and Descriptions

Every effort has been made to ensure that individual boat descriptions contained in the brochure are correct. However, the right is reserved to make modifications to boat specifications that are considered necessary in the light of operating requirements. Layout plans in the brochure are for general guidance and are not to scale. Illustrations and photographs of standard production-built boats are sometimes used and the interior and exterior colour scheme and layout of your boat may therefore not be identical with the one in the brochure.

26. Disputes

Any dispute, difference or question which may at any time arise out of the contract or the subject matter thereof shall be referred to a single arbitrator to be agreed upon between the parties (or failing agreement to be nominated by the Chartered Institute of Arbitrators on the application of either party) in accordance with the provisions of the Arbitration Act, 1950, or any statutory modifications or re-enactment thereof for the time being in force. These conditions supersede all previous issues.
